COMMUNICATION OFFER

Find your DNA
Three letters for a vision:
Increase. Develop. Awareness

Communication Offer

Because communication is much more than just a few words exchanged around the coffee machine, our strategies are real influence bombs to help you reach new heights! We use all the levers of strategy and communication to strengthen your DNA and sustainably reduce your attrition rate (churn rate).

**A physical evening and content to promote your event.
We take care of all your communication both in real and
digital.**

**We use a multi-channel communication strategy (paper
invitations, magazines, networks) to promote your event
or establishment. Use social media and one thing, but by
encouraging active participation, you capitalize on the
momentum through engagement and not just through
screens.**
